Project Title: Glass Animals (band)

- **Home page**
 - This will be the main page with a general overview of the band, giving general details about them. Will also contain a navigation bar of sorts to take the viewer to other pages
- **History**
- **Band members**
 - Brief overview of the band members with headshots. Might make little buttons to represent each band member that will take the view to another page with their actual headshot and information of the member.
- **Discography**
- **Awards & Nominations**
 - A page dedicated to their first nomination (hopefully not the last)
- **Sources**
